

rotowash

Rotowash - The Original

The clever solution
for sustainable efficiency in floorcare

High standard of floor hygiene achieved by the unique Rotowash cleaning action of twin cylindrical contra-rotating brushes for all types of hard floors and carpets.

Large floor cleaning capacity. Up to **90% savings on water and chemical costs.**

Quality Made in Austria with reliable parts supply. Eco-friendly manufactured, recyclable.

Rotowash

One machine
for multiple applications

- Rotowash Corner Brush ▶

Rotowash Plus

Featuring integrated electrical spraying unit with accurate water distribution on demand and precise spray jet ahead of the front brush.

- A Universal safety handle** for left and right hand operation
- B Easy grip water release control**
- C Pivoting quick release cable holder**
- D 10m mains cable**
- E Removeable slim line clean water tank 7ltr**
- F See through water hose with snap on/off easy connection**
- H Waste water tray lid with water level indicator**
- J Electrical sprayer**
- M Brush pressure control knob**
- N Spring loaded clip** for quick removal of handle
- P Heavy duty side and front protector bumpers**
- R Easy to fit and remove brush axles**
- S Built-in brush location plate** for simple and fast fitting of brushes
- T Retractable transport rollers** suspend load on brushes while not in operation
- U Cylindrical brushes**, easy to remove without using any tools. Available in multiple colours for hygiene control
- V Easily removable waste water tray**
- W Safety thermal cut-out control**
- X Specially coated aluminium body housing** for high mechanical resistance
- Y Long life filter unit**
- Z Self retractable spray jet nozzle**

- Z** Self retractable spray jet nozzle

Escalating to new heights ... and getting into the grooves!

The Rotowash specialist machine model R45B Escalator achieves a high quality deep clean on escalators treads and travelators.

In one pass the R45B Escalator washes, scrubs, collects the soil, retrieves the water immediately, and dries.

Additionally, in a matter of seconds the R45B Escalator can be switched to standard floor cleaning mode.

R45B ESC

The Side Brush comes as a standard on the R45B ESC.

32	Weight [kg]
366	Length [mm]
545	Width [mm]
205	Height w/o handle [mm]
1.000 - 205 variabel	Height in operation [mm]
	Coverage
1.275	Hard floors [up to m ² /h]
630	Soft floors [up to m ² /h]

Rotowash

The factory

Rotowash is amongst the pioneers in the design and manufacture of compact scrubberdryer floorcleaning machines specialized in twin cylindrical counter rotating brush technology.

Rotowash floorcleaning machines are being successfully employed internationally for more than 38 years. Rotowash machines are designed and made in Austria using components of the highest quality. The management and production systems undergo frequent audits by British Standard Institute - BSI - according to ISO 9001. Rotowash products are frequently audited and approved by OVE, Austria and BSI and conform to the high standards of design, quality and safety set by CE - Conformity European.

Our experience and expertise developed over the past four decades as a major manufacturer and supplier, enables us to be the catalyst to help you identify and assess your floor maintenance needs.
